1. This verification form is prepared in accordance with Article 23 of the Regulations Governing Accreditation of Teacher Qualifications at Junior Colleges and Institutions of Higher Education.
2. Both the applicant and each and every co-author must complete, sign, and describe their contributions in detail.
3. As per Article 44, Paragraph 1, Subparagraph 1 of the Regulations Governing Accreditation of Teacher Qualifications at Junior Colleges and Institutions of Higher Education and the Principles for Handling Violations of Teacher Qualification Accreditation at Junior Colleges and Institutions of Higher Education, if the co-authors' certification contains false information, confirmed upon a review by the Department, the application shall be disqualified and no faculty qualification review applications will be accepted for 1 to 5 years. If the co-authors' certification has been forged or altered, confirmed upon a review by the Department, the application shall also be disqualified and no faculty qualification review applications will be accepted for 7 to 10 years.
4. If the co-authors are foreigners, the form may be completed in foreign languages, provided that the content is clearly understood by the foreign co-authors.
5. Publications co-authored by multiple individuals may only be used by one person as their representative works for review. Other co-authors other than the applicant shall forfeit their rights to use the same publications as their representative publications for review.
6. In the case of joint achievements, works, and sports achievements, only one individual may submit them for review. Once an application is submitted, contributors other than the applicant shall forfeit their rights to use the same achievements, works, and sports achievements as their representative achievements, works, and sports achievements for review.
7. If more space is needed, additional pages may be attached.
